CAP PRINTING OPTIONS

Positional print

We print small logos, medium designs, large designs, and all-over prints. We can print your design on one or both sides of the cap, on the front and the back. Up to 6 colours per side.

Names and numbers

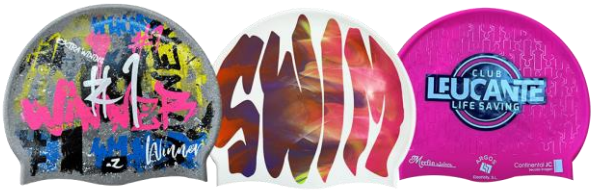
For your team, count on our Names and Numbers service, it's everything you need. Get the swimmer's name or number printed on each side along with your logos or flags.

Photographic print

Available for all our flat silicone caps, in standard or suede finishes, for both adults and children.

Ceramic print

Get the best of our high-quality printing techniques with our exclusive ceramic print finish on suede caps. Matte cap, glossy print.



Digital print

Don't miss out on glitter inks, tone-on-tone printing, and high-definition digital printing.

Hydro Foil

Hydro foil print is an impressive technique that takes design to the next level with its shiny, metallic finish, transforming any piece into something truly special and high-impact.

SUBLIMATED SWIMWEAR

Swim Beyond Limits.
Swim Sublimated.

Ever wondered how we achieve those eye-popping, fade-resistant designs? Enter sublimation, a cutting-edge process that transforms ink into a gas, fusing it directly into the fabric. This isn't just printing – it's a molecular marriage between color and fabric. The result? Unparalleled brilliance that won't fade, crack, or peel.

Using European fabric such as Carvico Eco Sydney and Miti Speedline we personalize your aquatic journey with our customizable designs. From bold patterns to team logos, express yourself in the water like never before. Your swimwear, your style – because champions don't blend in, they stand out.
